

StrongStart Schedule Sept - Dec 2021

Welcome back to another year at StrongStart. In addition to our regular programs, we are pleased to be offering a variety of options for families to enjoy. We will be continuing with our online booking system for all StrongStart appointments. Spaces are limited so please book only one visit a week in order to give as many families as possible an opportunity.

Please see our legend below detailing the various programs we have on the schedule. If you have any more questions, please contact one of the Educators and we will be happy to assist you.

Thank you and we look forward to seeing you soon!
