

LEE'S SUPERHEROES UNITE AT OUR ANNUAL PROWL-A-THON #9

It's less than a 3 weeks away to our big event of the PAC year – the 9th Annual Lee Lion Prowl-A-Thon, and we're all getting very excited. This year's event is "SUPERHEROES". The event will be a fascinating collection of trivia, imagination, music and all around fun. The walking goal is for each class to walk the number of laps equal to or more than last year's LEE LION'S GOAL of 196. This represents approximately 8 laps per student. This is a great way of sharing our school's very own SUPERHEROES around the track. Mark your calendars now and have your friends and family come out and walk with us on:

FRIDAY, MAY 6th 2016 from 9:00am to 1pm

PURPOSE:

Every year the Walter Lee Parent Advisory Council (PAC) organizes a major event in efforts to raise funds. This year, our focus will be to raise funds for PAC supported projects. With your assistance, PAC is able to maintain our classroom allocations, field trips, programs and other related items. PAC has purchased leveled readers, constructed a new playground, purchased technological equipment (i.e. computers, Ipads, Smartboards, mobile projectors, soon to be installed water filling station, etc) and other improvements to enhance the children's experience at our school.

This year's event is our 9TH "Prowl-A-Thon". Our Lee Lion SUPERHEROES together with family & friends, will be "prowling" the track at our school on Friday, May 6th. Not only is this an opportunity to raise funds, but also celebrates our school community & spirit in a unique, healthy way.

EXPECTATIONS:

We encourage parents, family members (including pre-schoolers) and family friends to participate in this walk. Every participant, regardless of whether or not they're a student at Lee, will receive a **special participation prize**, and their distance walked will be included in the school distance number. We encourage adults to walk with, supervise, and support their children in this important school community event.

We are asking ALL STUDENTS to raise a minimum of \$15 in sponsorship. This will help us accomplish our goal of raising \$4,500. **If every student raises \$15, we will meet our school goal for our PAC classroom support for the year.** Please note: STUDENTS are NOT allowed to get pledges from other Walter Lee students. All contributions that have already been handed in Since November 2015, Thank you and you will also be included in the prize draws.

SPONSORSHIP:

Please keep your child safe – we hope that your child will approach family & friends for this fundraiser, but if your child wants to seek sponsorship from neighbours, please supervise them. Students will be eager to collect sponsors and money, but they need your support and help in deciding who to ask.

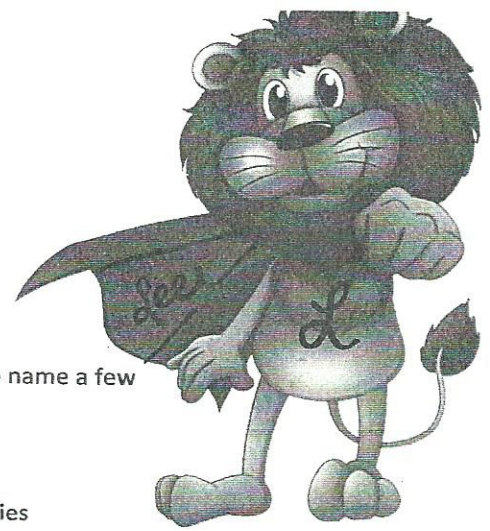

The sponsorship sheet for your child is attached to this newsletter. **Tax receipts will be available for donations over \$30. In order to obtain a tax receipt, a donation form must be completed that you can find on PAC WEBSITE. THE DAY OF THE PROWL-A-THON:

Students are asked to be seated at their desks at 8:40 as normal. We will begin **the event at approximately 9 am** with an assembly in the gym. Following the assembly, students will depart in intervals for our outside track. Students will walk/run around our track, with parent volunteers marking their "passports" for each completed lap so that we may determine the distances walked by individuals, classes and the entire school. **When classes and the school reach their goals (which will be determined in advance by the staff & students) there will be "bonus" prizes involving Ms.**

Pendharkar and Ms. Tse students will be learning more about this at school! Classes will have "Runch" at the usual time (a mini-Canteen will be offered serving chips and freezies at \$1), followed by an assembly to hand out all the prizes and announce the winning students and classrooms. **Classes will be dismissed at the usual Friday time of 1 pm.** We will be walking regardless of the weather, so please be sure to dress in appropriate clothing (that means coats if it's raining!!). If it's not raining, please remember to wear a hat and sunscreen. All students are asked to **bring a water bottle** – there will be refill stations outside around the track with parent volunteers.
