

Fundraising with West Coast Seeds

Untreated seeds for organic growing, non-gmo

This year, Walter Lee PAC is fundraising with **West Coast Seeds**. West Coast Seeds provides Canada No. 1 seeds that are untreated and non-GMO, which promotes sustainability. Choose from a wide range of their best-selling seeds for growing vegetables, herbs and flowers. As our students learn in our new Outdoor Learning Space at Lee this spring, enjoy growing your own garden at home too.

Order online at West Coast Seeds: <https://fundraising.westcoastseeds.com/collections/all>

When you are ready to order, make your choices and add to your cart. Once you have completed your order, select our organization *Walter Lee Elementary*, on the dropdown menu. Complete your personal details so that we may contact you when your orders are ready for pick up.

Our fundraiser is available for a limited time only! The last day to place and pay for orders online is **Monday, February 22nd.**

To ensure a safe and successful fundraiser, all orders will be submitted, paid and processed online. When the orders have arrived and are ready for distribution, an email will be sent with options for pickup from school.

Thank you in advance for your support!
