UBC X SAP GIRLsmarts4tech WORKSHOP

Nov 18, 9AM - 4PM | **910 Mainland St, Vancouver**
$30 Registration Fee*

*Bursary available; see website for details

WHAT WILL YOU LEARN?

01 UI/UX: Bring creative app design ideas to life! Design, implement, and test like a pro!

02 D-Shop: Beginners are introduced to programming an Arduino to control colourful Neopixel light strips.

03 Sustainability: Explore recycling through digital signage and gamification for a better world.

04 Office Tour: Discover the SAP workplace, culture, current projects, and more with the staff themselves!
