

**THE TERRY FOX  
FOUNDATION**

March 31, 2024

Lori Bazso  
Walter Lee Elementary  
9491 Ash Street  
Richmond BC  
V7A 2T7

Dear Lori,

We are so excited to announce and send our heartfelt congratulations to Walter Lee Elementary for ranking #24 on our "Top 50 Fundraisers of BC/Yukon" (Elementary Division) in 2023. Your school community has shown extraordinary effort and come together to carry on Terry's legacy, and we know Terry would be so incredibly proud.

Your dedication and remarkable fundraising achievement have made groundbreaking initiatives like our Marathon of Hope Cancer Centres Network possible. This collaborative effort has brought together hospitals, research institutes, and fundraising organizations, all working to revolutionize cancer diagnosis, treatment, and prevention. This unprecedented collaboration is a beacon of hope for countless individuals affected by cancer.

Your compassion and hard work exemplify the spirit of community and empathy, and we are profoundly grateful for your support. Thank you for embodying the values of resilience, determination, and compassion that Terry Fox himself exemplified, and for joining us in our mission to create a world without cancer.

You have truly made a difference, and we are grateful for your unwavering support of the Terry Fox Foundation.

With sincere appreciation,

Natalie Anderson  
School Development Officer, BC/Yukon  
Terry Fox Foundation

P.S. Keep an eye out for an email with a digital badge that you can use on your school website or social media channels to help spread the good news!
