KEEPING KIDS SAFE ONLINE RIGHT NOW

TOP TIPS

1. SET UP PARENTAL CONTROLS

Check your settings are up to date and controls are applied on all devices and apps.

2. SUPERVISE ONLINE ACTIVITIES

Ensure online activities are supervised by an adult and in a public space in the house. E.G - Living/Dining Room.

3. SET CLEAR EXPECTATIONS

Talk about expectations for behaviour online, including how and when devices will be used.

4. TALK ABOUT IT

With the schools closed, online activities will increase. Let your children and young people know they can talk to you about anything that happens online.

5. GO ONLINE TOGETHER

See if you can share online experiences by joining in with their favourite app/game.

Last year, the school district introduced **Policy 104-G (A): Acceptable Use of Personal Digital Devices** which restricts the use of personal digital devices during school hours. This initiative is part of our ongoing efforts to reduce distractions and support focused learning during instructional time. Outside of school, we understand that many students use social media and other digital platforms to communicate and share content.

We strongly encourage all parents and guardians to stay informed about their child's online activity and presence. Your partnership in promoting safe and responsible digital habits is greatly appreciated.

Parental responsibility to monitor online activity.

Please be aware that most social media platforms have a restriction for anyone under the age of 13 years old; most requiring parental consent for kids to join; by consenting if your child is participating in social media and chat groups parents are responsible for monitoring their activity.

School district devices

The school district is very aware of the dangers of the internet. At school, the network that link all school district devices to the internet is strictly monitored and protected. Students’ online safety is important to us and any security risks on school district devices are reported to the board office tech department.

We ask for your help to assist in teaching and supervising your child when on their devices.

We are actively working with other elementary schools in our community to organize an evening parent meeting around online safety. Please stay tuned for further updates.

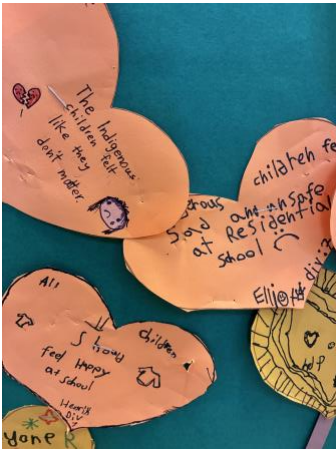

If you have any question, please contact the school at any time.

Orange Shirt Day last Monday

On Monday, September 29, we observed Orange Shirt Day in recognition of the National Day for Truth and Reconciliation on September 30. As mentioned in our previous newsletter, this day is about more than just wearing orange—it’s a time to listen, learn, and take meaningful action. It’s about acknowledging the truth of our shared history and committing to reconciliation in our schools, workplaces, and communities.

All classes participated in learning activities centered around Orange Shirt Day. Some also contributed to a collaborative artwork, reflecting their understanding and demonstrating our collective commitment to fostering a safe and inclusive learning environment.

Reminder of school parking and drop-off guidelines

At our assembly on Friday, we shared a reminder if your child happens to be arriving to school after the 8:40am warning bell.

- All exterior doors to the school are unlocked to allow students to enter our school building safely
- Students will still need to check-in at the office if arriving to school after 8:50am

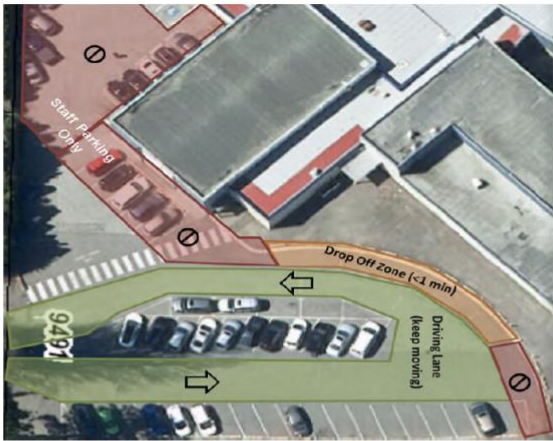

- If students are going to be dropped off by car, please enter the school at Door #8. This way students don't have to walk through the parking lot at the front of the school.

Coming in LATE?
use Door # 8

To ensure the safety of students please be aware of the guidelines and directions for our school parking lot.
We strongly encourage families walk to school and use street parking for morning drop off and afternoon pick up.
