Message from the Principal

Starting February 16th, our school will begin an **interior painting project**.

This project is expected to run for approximately 20 weeks. During this time, each division will need to relocate from their regular classroom for about one week while painting is completed in their area. We have developed a detailed plan to ensure that learning continues with minimal disruption. Temporary learning spaces have been arranged, and teachers will provide a smooth transition for students before, during, and after their relocation week.

If you have any questions or concerns about this project, please feel free to contact the school office. We appreciate your cooperation and support as we work to improve our learning environment for all students.

Parent and Student Learning Survey 2025/2026

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

This winter, the Student Learning Survey will be administered to students in grades 4 and 7, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at <https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>. Any computer or mobile device with an Internet connection can be used, and access to the e-survey is simple and

Important events and fundraisers:

Pedalheads Promo Code - The PAC has once again partnered with Pedalheads (Swim, Bike, Soccer and Trail) to offer all of our Lee families a \$25 discount on programs and camps all while fundraising for our school! With the code **WALTERL26**, you will automatically receive \$25 off your camp or program and that same amount will be kindly donated by Pedalheads to the Walter Lee PAC! As always, the funds raised through this and all of our other initiatives go towards important learning resources for your children including classroom technology, guest speakers and field trips!

How it works: Simply log onto www.pedalheads.com/british-columbia and click "Find a Program" to explore their variety of bike, soccer, swim and trail programs offered. Choose your program/camp and go to checkout. At the checkout screen, under "Payment Method" click on "Have a promo/coupon code?" and then enter **WALTERL26** to have \$25 automatically deducted from your total! Though this code **expires on June 30th, 2026**, you can register your children for camps in July and August using the code, you just have to register and apply the code before June 30th. The code is valid for all Pedalheads programs in BC.

Stay tuned for details on bookings so you can capture family memories in a beautiful outdoor setting! This fundraiser will again be helping us fund important classroom wishlist items!
